

Farrier Bingo

myfreebingocards.com

Instructions: We used myfreebingocards.com to create 30 Farrier bingo cards. To play, print out the bingo cards as needed. All 30 cards have unique placement of the answers – there are no duplicates. There are two cards per page. Cut in half and hand out as needed. (I printed them on card stock) Use the Bingo caller's question/answer sheet to call out the questions – this is a separate document on this website.
