Instructions: We used myfreebingocards.com to create 30 Required Equipment Bingo Cards. To play, print out the bingo cards as needed. All 30 cards have unique placement of the answers – there are no duplicates. (I printed them on card stock) Use the Bingo caller's question/answer sheet to call out the questions – this is a separate document on this website.

You may notice the weird spelling of the “Required Equipment” title on each of the bingo cards. I can’t really explain it other than to write that I really do know how to spell, but somehow in the conversion from one document to another it went a little haywire. I spent about 30 minutes trying to fix it and then choose to ignore it rather than go crazy over it... VK/SRPC
