

# Tack CLEANING Match Game

**Purpose:** Students identify which items are used for Cleaning, Conditioning, and Protecting their leather tack.

Pull out about 15 tack cleaning items along with a sampling of brushes, rags, and inappropriate cleaning supplies.

- Saddle soap
- Motor oil or dirty rag
- Clean rag
- Sponge
- Toothbrush
- Scrubby/steel wool
- Bowl
- Dish soap
- Bleach
- Ammonia
- Draino
- Paintbrush
- Vegetable oil
- Castile soap
- Murphy oil soap
- Toothpicks
- Hammer
- Hair dye

Make sure you have several items for each of the 4 categories (Protecting, Cleaning, Conditioning, Not for any Leather).

Put out all these supplies in the middle of the table.

Print the 2<sup>nd</sup> page on card or cover stock paper. Lay out the 4 Cards.

**Directions:** A member selects one item from the pile and has to place it in the appropriate category. This is repeated with each member.
