

Pride & Groom Mega-Room Simulation

This is a Mega Room Phase simulation. The participants will need to identify 9 grooming tools.

The quiz members compete in the Mega Room phase as an individual. They enter the room as a team, but will approach each table as an individual, and will be at the table with other competitors who are NOT on their team. There is to be no talking and generally no touching of the items on the table. If you need to touch an item on the table, ask the table judge first.

Print pages 4 – 6 (the Tools cards) on card or cover stock paper. Cut them out such that each individual card has both a letter and a picture of a grooming tool.

Our club runs a 'mock' rally right before the actual quiz rally. Because we might have parent volunteers who are not familiar with how quiz is organized, the next page is the instructions and answer key for the parent who is running the "mock" mega-room table.

Page 3 is the Answer Sheet that the individual competitor would use to record their answers. Print one for each competitor.
